WWW.USHANATIONALS.COM

The USHA Board in conjunction with the Southeast Hydrofoil Club (the 2011 Nationals hosting organization) are delighted to announce that every athlete that has joined USHA or renewed their USHA membership in 2011 and will be participating at the July 2011 USHA Nationals will receive a free ski helmet courtesy of Vans Inc. of Sante Fe Springs CA.

There are very limited quantities/sizes as these new helmets were a donation from Vans. Distribution will be based on 2011 USHA Membership / renewal date and only while supplies last. Distribution of helmets will be at 2011 Nationals. If there are any remaining helmets after 2011 Nationals, they will be used for any members renewing/joining USHA for Video Comp or Last Fling to Spring.
